

# Animal Welfare Pledge: teacher

Name of teacher: \_\_\_\_\_

Name of school: \_\_\_\_\_

Name of animal facility: \_\_\_\_\_

I understand that animal welfare is of paramount importance and therefore promise not to engage in any behaviour, verbal or otherwise, that may be prejudicial to the animals housed in the facility that I will be visiting. This includes shouting, refusing to move when asked, attempting to handle animals or open caging, tampering with equipment, verbally or physically abusing staff, taking photographs or video or distributing printed materials without prior permission.

I guarantee that I have, to the best of my knowledge, informed Understanding Animal Research of any students in my group that I know to be a member of an anti-vivisection or animal rights group or otherwise engaged in any animal rights or anti-vivisection campaign or protest movement.

I hereby grant permission to Understanding Animal Research or its partners or agents to run a background check on my affiliations with any known animal rights groups or activities.
